Dear Shareholder,

Re: CABLE BAHAMAS LTD (“the Company”) Launches Online 2013 Annual Report

We are pleased to advise that the Company has made it possible for you to view its 2013 Annual Report on the Company’s website at **www.cablebahamas.com** commencing July 7, 2014.

The presentation of this information online replaces the mailing of physical copies of the Annual Report to all shareholders. We have made this change to the distribution of our Annual Report to actively promote and utilise eco-friendly initiatives that protect our environment and conserve resources.

However, should you require a printed copy of the Annual Report you may obtain one free of charge by visiting any of our locations in New Providence: the Mall at Marathon, Old Trail & Robinson Road or in Grand Bahama: East Atlantic Drive or contacting us by telephone number **242-601-8615 or 242-602-8800**. The documents are also available through our Registrar and Transfer Agent, Bahamas Central Securities Depository.

Enclosed in this package for your review are the proxy material provided for shareholders in advance of the Company’s Annual General Meeting.

Sincerely,

Judith Smith
